

**KCE Electronics Public Company Limited  
and its subsidiaries**

Financial statements for the year ended  
31 December 2013  
and  
Independent Auditor's Report

## **Independent Auditor's Report**

### **To the shareholders of KCE Electronics Public Company Limited**

I have audited the accompanying consolidated and separate financial statements of KCE Electronics Public Company Limited and its subsidiaries (the "Group"), and of KCE Electronics Public Company Limited (the "Company"), respectively, which comprise the consolidated and separate statements of financial position as at 31 December 2013, the consolidated and separate statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Consolidated and Separate Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated and separate financial statements in accordance with Thai Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

My responsibility is to express an opinion on these consolidated and separate financial statements based on my audit. I conducted my audit in accordance with Thai Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated and separate financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

*Opinion*

In my opinion, the consolidated and separate financial statements present fairly, in all material respects, the financial position of the Group and the Company, respectively, as at 31 December 2013 and their financial performance and cash flows for the year then ended in accordance with Thai Financial Reporting Standards.

*Emphasis of Matter*

Without qualifying my conclusion, I draw attention to notes 4 and 16 to the financial statements describing the effect of the Group and the Company's adoption from 1 January 2013 of certain new accounting policies. The corresponding figures presented are based on the audited financial statements as at and for the year ended 31 December 2012 after making the adjustments described in notes 4 and 16.
