Re: Notification of the fire at the KCE Factory

KCE Electronics Public Company Limited (“Company”) would like to notify that on August 17, 2020 around 12:20 p.m. there was a fire in the area of the old factory of the Company that has not been used in the production at the Lat Krabang Industrial Estate. Currently, the fire is under control at around 1.00 p.m. and we are investigating the cause and damages of the fire. We will update the situation and additional information again shortly.

Sincerely yours,

(Mr. Pitharn Ongkosit)  
President and Chief Executive Officer
